Why Friday Night Ministries?

Designed specifically to meet the needs of those who are single, divorced, separated, and widowed, Friday Night Ministries offers a variety of courses. Each quarter, different topics are explored such as divorce recovery, parenting alone, making wise choices in relationships, boundaries and many other issues of interest.

This ministry also offers the opportunity for fellowship with other singles. If you are seeking fellowship with others in a similar life situation, practical guidelines in relationships, and support from fellow believers, join us on a Friday evening.

Those in the fellowship will regularly coordinate a dine-out club at local restaurants for some additional times of fellowship and support.

Come fellowship with others who can support, encourage, and uplift.

Some Class Offerings

Wise Choices in Relationships

Do your relationships sometimes feel like a roller coaster ride? Do you ever feel like the bad news about the opposite sex outweighs the good news? Are you codependent? Are you content? Would you like to understand why you choose who you do? What does a "healthy" relationship look like to you? Can you get what you need from others without fighting or stonewalling? Lynne A. Babbitt, Assistant Director of Shepherd's Touch Counseling Ministry, is pleased to offer you "Wise Choices in Relationships." These classes will help you gain insight into past choices and anticipate healthy future relationships.

DivorceCare

There aren't many people around you who understand the pain your divorce or separation has caused. To you. To your family. To your friends. That's the reason for DivorceCare. It's a series of support groups and seminars conducted by people who understand what you are experiencing. More importantly, you'll learn how to deal with the pain of the past and look forward to rebuilding your life.

Parenting Solo

One of the hardest jobs in the world is parenting, when there are two parents together in the home. But what if there's not? Then for the one left with the responsibility, it seems impossible! Hearing the plight of many single parents, we created the group so you could be supported by others going through the same difficulties and get practical advice. Open to those who are divorced, separated, widowed, or never married.

Balancing Our Inner World

Information and group discussion of some common challenges, such as: Anger, Worry, Depression, Temptation, Boundaries, Anxiety, etc. Come and learn how to help yourself or a friend find tools to build better balance within. Class size is limited, so please call to pre-register and hold your spot.

Being Single Today

Being single in today's world has many challenges and uncertainties. Many of us struggle to understand the issues that confront us. At times, we even question the relevance of Scripture in dealing with these issues. Join us as we discuss the social, emotional, physical, and spiritual aspects of being single today.

Bible Study and Others

We also offer bible study topics and miscellaneous topics during summer, interim times, and sometimes as a full quarter class.
